# LSA Marketplace FAQs:

## How it Works

### ✓ How do employees access the Marketplace?

Employees simply log in to Espresa and open their LSA program. The Marketplace is fully embedded, making it quick to access and effortless to use.

### ✓ How do purchases work?

Employees shop directly with their LSA funds, through a smooth, mobile-friendly checkout. Every offering is pre-approved, eliminating out-of-pocket expenses, and ready to use for an intuitive, confidence-building experience.

### ✓ What kind of items are available?

Access to a wide mix of wellbeing offerings—from mindfulness and movement to learning, family, and lifestyle—with options that adjust quarterly and continue to expand, featuring top brands such as:

### ✓ Can the Marketplace be configured to align with our policy?

Yes. Administrators can easily tailor visible categories and offerings so employees only see items that fit your program design.

### ✓ Where is the Marketplace available?

The Espresa Marketplace is available in the U.S. and India, with additional fulfillment support across 40+ countries—offering a consistent experience to global teams.

## Ready to activate the LSA Marketplace for your workforce?

Your Espresa team can enable the Marketplace, connect it to your LSA funds, and configure category visibility to match your program goals.
